This letter of appreciation is for Dr Sudhir Kamat

When he joined bni I saw him as a enthusiastic young doctor eager to perform with a nice smile n a spark in his eyes.

However, I already had a dentist , the merchant sisters based in lokhandwala looking after our personal Dental issues and was happy with their services.

My first experience with him was the turning point.

I took my son moksh to him for his problematic holes and ditches In his teeth.

The way he handled my sons session I decided to switch over to sudhir For all my dental problems.

I used to think that only ladies can be good dentists with some compassion But Sudhir has proved me wrong.

His flexible attitude and clean work makes him a good dental surgeon

With His anytime accessibility and consultation

i m happy to say that i made the right decision to choose sudhir and his wife as our family dental doctors.

From what I see of him ; sudhir is simply a gem of a person to be associated with,

His presence adds a lot of values to our chapter and , It gives me great pleasure to say that I ll surely recommend him to my social circle.

Thank u sudhir n Just smile dental care for being there with us .
