Dear Dr. Sudhir

Please recall the visit of the undersigned to your **JUST SMILE CLINIC** during the second week of Sept 10 for having Complete Dental Check up before leaving for London, UK.

I must say, my visit to **JUST SMILE CLINIC** was a very pleasant experience. Your unique way of treating your customers, explaining the reasons for giving particular treatment and explaining the do' and don'ts was really superb.

I wish to put here on record that the treatment which I got was so good that till date I am having no pain or complaint of tooth ache in spite of my totally changed diet and extreme cold weather of England .

I have now decided to take my all future dental treatments from **JUST SMILE Dental** clinic only.

I wish you all the success to you in future endeavor.

With warm regards,

[Anand Patil]
